

AutoParts Pro - Car Spare Parts Catalog 2024

Welcome to AutoParts Pro. We offer a comprehensive range of high-quality car spare parts for all major vehicle makes and models. All parts meet OEM specifications and come with a 12-month warranty.

Engine Parts

Part #: OF-001 | Oil Filter Standard

Description: Standard oil filter for 4-cylinder gasoline engines. Removes contaminants from engine oil to protect engine components. Compatible with Toyota, Honda, and Hyundai. Recommended replacement: every 5,000 miles.

Price: \$12.99 | Availability: In Stock

Part #: OF-002 | Oil Filter Premium Extended Life

Description: High-performance synthetic media oil filter with extended life up to 10,000 miles. Features anti-drain-back valve and silicone gasket for leak-free sealing.

Price: \$19.99 | Availability: In Stock

Part #: SP-001 | Spark Plugs Iridium Set of 4

Description: Fine-wire iridium tip spark plugs for maximum ignitability and long service life. Reduces misfire for improved fuel efficiency and lower emissions.

Price: \$34.99 | Availability: In Stock

Part #: TB-001 | Timing Belt Kit Complete

Description: Complete timing belt kit including timing belt, tensioner, idler pulley, and water pump. Ensures proper engine timing. Recommended replacement: every 60,000-90,000 miles.

Price: \$89.99 | Availability: Low Stock

Part #: SB-001 | Serpentine Belt EPDM

Description: Heavy-duty EPDM serpentine belt driving the alternator, power steering pump, A/C compressor, and water pump. Resists heat and cracking.

Price: \$29.99 | Availability: In Stock

Part #: AF-001 | Engine Air Filter High-Flow

Description: High-flow engine air filter with electrostatic filtration. Improves airflow to the engine for better performance and fuel economy. Captures dust, pollen, and airborne particles.

Price: \$18.99 | Availability: In Stock

Part #: THR-001 | Electronic Throttle Body 60mm

Description: Precision electronic throttle body with 60mm bore diameter. Controls air intake for accurate fuel injection. Includes gasket and wiring harness connector.

Price: \$159.99 | Availability: Out of Stock

Brake System

Part #: BP-001 | Front Ceramic Brake Pads

Description: Premium ceramic brake pads for the front axle. Provides quiet operation, low brake dust, and excellent stopping power. Includes shims and hardware.

Price: \$45.99 | Availability: In Stock

Part #: BP-002 | Rear Semi-Metallic Brake Pads

Description: Semi-metallic rear brake pads offering consistent performance across a wide temperature range. Enhanced heat dissipation for repeated stops.

Price: \$39.99 | Availability: In Stock

Part #: BRK-001 | Front Vented Brake Rotor

Description: Vented disc brake rotor with anti-corrosion coating. Precision machined for smooth, vibration-free braking. Directional vanes improve cooling for fade resistance.

Price: \$49.99 | Availability: In Stock

Cooling System

Part #: RAD-001 | Aluminum Radiator Complete Assembly

Description: Full aluminum core radiator with plastic tanks. Direct OE fit with upper and lower hose connections. Improves cooling efficiency by 20% over original.

Price: \$189.99 | Availability: In Stock

Part #: WP-001 | Water Pump with Gasket

Description: Cast iron impeller water pump for reliable coolant circulation. Includes mounting gasket and hardware. Ceramic mechanical seal prevents leakage.

Price: \$79.99 | Availability: In Stock

Part #: TH-001 | Thermostat with Housing

Description: Engine thermostat with integrated housing and O-ring seal. Maintains optimal engine operating temperature of 195 deg F. Quick-open design prevents overcooling.

Price: \$34.99 | Availability: In Stock

Electrical Components

Part #: ALT-001 | Alternator 130A Remanufactured

Description: Professional-grade remanufactured alternator with 130A output. New rectifier, voltage regulator, and bearings installed. 100% electrically tested.

Price: \$249.99 | Availability: In Stock

Part #: ST-001 | Starter Motor 1.4kW Remanufactured

Description: Heavy-duty remanufactured starter motor with 1.4kW output. New solenoid and brushes installed. Designed for cold-weather reliability. Direct bolt-on replacement.

Price: \$199.99 | Availability: Low Stock

Part #: IGN-001 | Ignition Coil Pack Direct

Description: High-energy direct ignition coil pack for waste-spark systems. Epoxy-sealed winding resists moisture. Improves spark energy for better combustion efficiency.

Comp

Price: \$29.99 | Availability: In Stock

Suspension & Steering

Part #: SHK-001 | Front Gas Shock Absorber

Description: Gas-pressurised front shock absorber for enhanced ride comfort and vehicle stability. Monotube design with multi-stage valving. Reduces body roll and nose dive.

Comp

Price: \$119.99 | Availability: In Stock

Filters & Maintenance

Part #: CAB-001 | Cabin Air Filter HEPA Grade

Description: Premium HEPA-grade cabin air filter removes 99.97% of pollen, dust, and PM2.5 particles. Activated carbon layer neutralises odours inside the vehicle cabin.

Comp

Price: \$24.99 | Availability: In Stock

Drivetrain

Part #: CV-001 | Front CV Axle Shaft Assembly

Description: Complete front CV axle shaft assembly with pre-packed inner and outer CV joints. New boots and clamps included. Ready to install - no additional assembly required.

Comp

Price: \$89.99 | Availability: In Stock

Fuel System

Part #: FP-001 | Fuel Pump Module Complete

Description: Complete in-tank fuel pump module assembly including fuel pump, fuel level sending unit, float arm, and strainer sock. Maintains proper fuel pressure for reliable engine operation.

Comp

Price: \$149.99 | Availability: In Stock
